Every view from the window of the Space Station contains countless vivid lessons about the meticulous goodness of divine providence, God's care for His creation, and His wisdom in ordering the universe. Colonel Jeffrey N. Williams has had the rare privilege of studying earth from heaven's perspective. Join him on a vicarious journey through *The Work of His Hands.*

Instructions:

- Complete form with desired quantity, full name, and best method of contact.
- Church administrator will contact you once a final church quantity is obtained and price determined.
- Make check payable to your church.
