

O Creator of the universe, You did not form Adam from the dust of the world so that his children would spill their brothers' blood in that dust. With Adam's sin came death, destruction, and war. Yet You did not turn from Your fallen creation but embraced it in the flesh of Your incarnate Son, winning our peace with You though His death and resurrection. Still, humanity rebels, and evil flourishes with wars and rumors of war. Young men and women today protect our nation in the profession of arms, even now serving in places of danger, to shield us from the manifested evil of terrorism, weapons of mass destruction, and other wicked instruments of Satan's hatred. I pray, dear Lord of peace, that You would protect those who wear the uniform of my country and serve with courage, honor, and commitment. Comfort and strengthen our sailors, marines, soldiers, airmen, and coast guardsmen. Be with their loved ones who must wait at home while they go to far and distant lands, answering the call of duty. Bless the faithful ministry of chaplains who go with them to proclaim Your Gospel and administer Your Sacraments on ships and in foxholes. Guide the leaders of this world that they may seek to

walk in peace so that the skills of warriors may not be used except to deter those who would seek to harm us. I ask this in the name of the Prince of Peace, the only Savior of the world, Jesus the Christ. Amen. (109)

Eternal Father, Ruler of all nations, on this day when my country celebrates its birth, I thank You for all spiritual and temporal blessings enjoyed in our land. In Your mercy, You have sustained this nation in times of trouble and preserved its liberties. Teach me anew to treasure especially that dearly won freedom of conscience and worship that is the cornerstone of this country's principles. Let me not misuse this liberty nor forget that true freedom is freedom to serve. Give me willingness to share in the process of democratic rule, to respect my country's laws, and to work for the preservation of its institutions. Forgive our past sins committed as a nation in the name of misguided patriotism, self-interest, or political expedien-
